“ LPA Law Firm is a Full service law firm that serves domestic and international clients in almost all fields of

business law.

As a dynamic law firm, we are ready to do things a bit differently for the benefit of our clients. We like to stretch ourselves a bit further for the sake of a good result.

We are honored to have been chosen by clients from a wide variety of industries and countries.

Our clients include local and multinational enterprises, and governmental and international organizations, as well as private individuals. The wide-ranging nature of our client base, in terms of nationality, industry sector and the type of transaction on which our assistance has been sought, has enabled us to build up unrivalled expertise in a substantial number of specialist practice areas and provide tailored solutions for each of our clients.

”

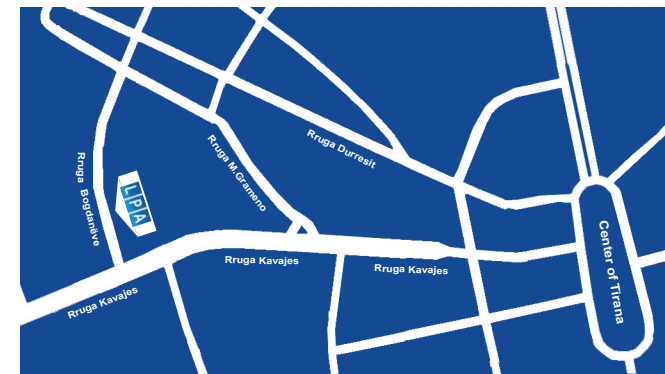

“ We leverage our experience on the Albanian market to anticipate difficulties, mitigate risks and where necessary come up with creative legal solutions. Our goal is to facilitate the attainment of the business objectives of our clients within the scope of a specific transaction. To work on specific transactions, we form teams of lawyers with due account of project requirements.

Our goal is to have LPA become our clients' preferred partner in Albania, being chosen for our quality and our international standard legal service supported by a top client business-oriented service.
